

# Family Technology Covenant

As a Christ following family, we desire our online digital imprint to reflect Christ's selfless love. We reflect Christ's selfless love when our online participation honors, loves and trusts in the Lord above all things. We reflect Christ's selfless love when our online interaction loves and serves others in a God pleasing way.

Therefore, I \_\_\_\_\_ agree to use technology in a manner that shows I am a Christ follower. I agree to honor the Lord by following the rules listed below and all other stipulations my parents give me regarding the use of digital technology.
